## LOCKER 505

### **Mission:**

"Locker #505 is a 501 (c)(3) non-profit organization that has established a student-focused facility where children can try on and choose outfits that they feel good about wearing. Having appropriate school clothing allows children to concentrate on their school work, not their clothing. It also helps keep children, who might not go to class because of their clothes, stay in school"

Each year, more than 3000 students K-12 come through the doors of Locker 505. They are treated with the utmost respect as they pick out outfits for school.

Will you help ensure that Albuquerque's most vulnerable children and youth have clothing for the winter?

All funds and donations generated from each chapter will be directly donated to Locker 505.

This year we will be doing a donation drive during Greek week. We will be collecting packaged underwear, socks and hygiene products. Socks and underwear must be packaged and can range from K-12 boys and girls. Points will be awarded to the top three chapters from each council who donate the most goods.

1st place = 25 points

2nd place = 20 points

3rd place = 15 points

Participation = 10 points

# PHILANTHROPY

Each chapter will be required to raise at least \$20 per member. If accomplished, the chapter will be awarded 65 points. A chapter who does not accomplish this, but still has over 75% of the chapter raise \$20 will receive 30 participation points. Further contribution is appreciated; however, no additional points will be awarded.

\*\*Please make all checks payable to "Order of Omega," the account will be externally used to make the group donation and handle all payments.

There will be three Greek Cups awarded this year: Panhellenic, IFC and MGC.

The Greek Cup will be awarded to one chapter in each council who has received the most cumulative points from Greek Week events.

# **S P O R T S M A N S H I P C U P**

Each chapter participating in Greek Week will be given a ballot to vote on the chapter who has demonstrated the highest level of sportsmanship throughout the week. Chapters that should win this award should exhibit respect, courteous attitude with other chapters, participate in every event during the week, and advance the quality of the University's Greek Community.

Chapters may not vote for themselves and must turn in the correct ballot to the Greek Week Chair at the conclusion of Greek Trivia.

The Sportsmanship Cup will not affect the outcome of Greek Cup.
