

2017 IFC Expansion Committee Application

The IFC Expansion Committee has an exciting opportunity to expand our existing Greek Life at UNM and grow to ten IFC chapters by 2020. Members of this committee will be tasked with deciding which new IFC Fraternities will be slated to join UNM's Greek Community and when they will be slated to start. We will be selecting a committee member from each existing chapter on campus for a total of six committee members. Matt Lumpp, Assistant Greek Life Advisor and Dominic Colosimo, IFC External Vice President, will oversee the committee and facilitate meetings. We are currently in the process of gathering application packets from chapters around the nation who are interested in coming to UNM in the future.

Application Procedures/Deadlines:

- December 16th, 2016: Applications available to all interested candidates
